

Let's come together and make this a VERY Merry Christmas!

Greetings WIN Family and Friends,

The weather is getting colder and the days are getting shorter. That can only mean one thing... the holidays are quickly approaching! This time of the year is all about family, friends, giving, and feeling like a kid again. WIN Family Services is a non-profit therapeutic foster care agency serving all of Maryland, committed to addressing the individuals needs of the youth we work with and assisting the improvement in their holistic health. What more do you need than to feel loved at this time of the year? **WIN Family Services is working to put together a memorable holiday event for the 150 youth and families we serve – complete with a delicious meal, lively entertainment, and thoughtful presents.** But we can't do it by ourselves! We are calling on the help of the community to create an amazing holiday event for the underprivileged youth of Baltimore.

Please consider sending **in-kind donations** of items or gift cards in the following categories: Electronics, Sports, Clothing/ Jewelry, Cosmetics, Home Goods, Restaurant Gift Cards, Transportation Gift Cards, or Infant Care/Toys.t Just a note, a few stores that are popular with the youth we serve include: **Apple, AMC Theatres, Sports Authority, Aeropostale, H&M, Footlocker, Bath & Body Works, Target and Walmart**
